Re: Where is LB for Consensus Kingdom Law?

Dear Honorable PM Jacobs,

We have been searching for the LB whereby the Government of St. Maarten agreed to the Consensus Kingdom Law COHO. Can you please inform us if there is an LB, and if there is no LB, can you please inform us why there is no LB to support such an important decision? We look forward to hearing from you at your earliest convenience.

Sincerely,

Mr. Renate L. Brison
