Dear Mr. Chairman,

SUBJECT: Request to Consider Adjustment of the Kiesbesluit of Sint Maarten

With reference to the letter from Member of Parliament Melissa Gumbs please note the following:

I would like to thank you for bringing this item to our attention. Indeed we can agree with your preliminary findings and assessment that this proposed immediate measure can help to enhance measures currently under review to combat voter fraud.

As such I can inform you that I will be taking your proposal along in our internal process and will update you further on our plans in January.

We also do encourage you to continue to lobby and dialogue with your colleagues on this matter and if after those deliberations you have decided to bring a proposal to the floor of parliament I will be happy to support from Government.

Sincerely,

Silveria E. Jacobs
PRIME MINISTER
